LETT Newton.

[6] Effects under £2,000.

For O. Will see 1877

9 February.

The Will of Newton Lett late of Gorey County **Wexford** Merchant and Hotel Keeper deceased who died 1 September 1877 at same place was proved at **Waterford** by the oath of Robert Lett of Ferns County Wexford Hotel Keeper an Executor. (Double Probate. Former Grant 12 November 1877.)

[Rev. James Keating \(1871 - 1873\)](#)

He was born at Curracloe in 1845. He was educated at St. Peter's College and afterwards at Maynooth, 1864 - 1871. He was ordained on 30th May 1871 by Dr. Furlong.

His first curacy was at [CAMOLIN](#), to which he was appointed in July 1871. In August 1873 he was transferred to Wexford.

When Dr. Warren founded his great temperance movement in Wexford, Fr. Keating was a great pillar of strength to the movement and, in consequence, he established a brass band for the Society, which, in its time, enjoyed an impressive reputation. He was transferred to Gorey in August 1883 where he remained until he was promoted to the pastoral charge of Davidstown in October 1892.

He was a keen horseman, used to follow the Hunt and had a couple of good racehorses in his stable at one time. He died on March 11th 1898. Interment took place in the church.
